Hanson Named Southeast Area Manager for Lohmann Animal Health

Winslow, Maine (Feb. 28, 2008) – Gregory Hanson recently joined Lohmann Animal Health as Southeast area manager.

He is responsible for the sale of Lohmann Animal Health products in Alabama, Florida, Georgia, Kentucky, Mississippi and Tennessee.

Hanson brings extensive experience to the position from many aspects of the poultry industry, including the areas of management and sales in poultry health. He has won numerous sales awards during his career. Hanson also has experience in hatchery and breeder flock management.

Lohmann Animal Health is a leading manufacturer and supplier of poultry biologics for the U.S. and international vaccine markets. It offers a complete range of modified live and inactivated vaccines through its AviPro line.

Based in Winslow, Maine, LAH is a member of the PHW Group, which comprises 35 companies that produce avian vaccines and poultry for the global market. For more information, contact LAH at (800) 655-1342 or visit the company's website at www.lahinternational.com.
