Dr. Ivan Alvarado Joins Lohmann Animal Health International

Winslow, Maine (Feb. 21, 2006) — Dr. Ivan Alvarado has joined Lohmann Animal Health International (LAHI) as a technical service veterinarian.

Alvarado is based in Athens, Ga., and is providing technical support to LAHI customers in the United States, Canada and Mexico.

He comes to LAHI from the Poultry Diagnostic and Research Center at the University of Georgia, where he also recently completed post-doctorate study. Alvarado holds a Master of Science degree and a Ph.D. in medical microbiology from the University of Georgia and a Doctor of Veterinary Medicine (DVM) from the University of Tolima in Ibague, Columbia.

His previous experience includes working as a broiler breeder veterinary supervisor and a commercial layer veterinary supervisor for companies in Columbia. He has published numerous papers on poultry diseases and vaccines.

Based in Winslow, Maine, LAHI is a member of the PHW Group, which comprises 30 companies that produce avian vaccines and poultry for the global market. For more information, contact LAHI at (800) 655-1342 or visit the company's website at www.lahinternational.com.
